Want more time on the clock?

selectconnect & primeconnect packages

We realize the importance of how valuable time can be in front of your current customers and prospects. Health Connect Partners has designed an enhanced meeting package that will allow you to engage with your selected Providers of choice with a little time added to the clock during the **Live! ONLINE reverseexpo**. In addition to this extra time, Suppliers will have the ability to screen share and have up to three team members take part. Suppliers will be able to assign each **selectconnect** or **primeconnect** meeting to a specific leader from their organization to conduct the meeting.

15for10

\$15,000 The **selectconnect** package (15 meetings for 10 minutes) allows Supplier organizations to target key accounts/contacts for a 10 minute meeting with the Hospital Provider. Suppliers will be given the list of Hospital Providers and will have the ability to select 30 of the most desirable Hospital Providers they would like to meet with. Of those 30 selections, Health Connect Partners will coordinate and **match the Suppliers with 15 Providers for enhanced 10 minute meetings**.

15for15

\$20,000 The **primeconnect** package (15 meetings for 15 minutes) allows Supplier organizations to target key accounts/contacts for a 15 minute meeting with the Hospital Provider. Suppliers will be given the list of Hospital Providers and will have the ability to select 30 of the most desirable Hospital Providers they would like to meet with. Of those 30 selections, Health Connect Partners will coordinate and **match the Suppliers with 15 Providers for enhanced 15 minute meetings**.

The **selectconnect** and **primeconnect** packaged programs are NOT part of the **Live! ONLINE reverseexpo** draft process and will be prioritized as guaranteed meetings with the participating providers. Participation in these packages does not qualify as a **Live! ONLINE reverseexpo** Registration and does not allow access to the **Live! ONLINE reverseexpo** meetings sessions.

VIRTUAL suppliershowcase

Health Connect Partners' Virtual Supplier Showcase provides a format for hospital decision makers to research, learn about, and connect with suppliers in a unique virtual space. Each virtual booth features the supplier organization and highlights their solutions, products, and technologies. This new platform is designed to give hospital providers and supplier organizations the ability to directly interact in a customized environment.

In addition to providing the platform, Health Connect Partners is focused on driving high-quality traffic to each Virtual Supplier Showcase booth—just like we do during our in-person Supplier Showcase events. The Virtual Supplier Showcase is open for visits any time during the conference dates and is a required stop on the way to the educational sessions. Each provider executive will be encouraged to participate in a fun, interactive virtual experience allowing them to learn and request information along their journey through the Virtual Supplier Showcase.

The more booths they check in at, the more entries they will have in the prize drawing.

Best of all: the Virtual Supplier Showcase platform allows provider executives to directly request information, and schedule meetings with suppliers through our virtual meeting platform. Providers have a choice of requesting a meeting during the **Live! ONLINE reverseexpo** or selecting a specific date and time for an on-demand meeting outside of the **Live! ONLINE reverseexpo** times.

Don't miss this opportunity for maximum exposure and additional connections!
