Our conferences are invitation only.

This means we hand-pick the top hospital executives and supplier partners in the country to guarantee valuable and meaningful connections with your peers.

Founded in 2006, Health Connect Partners has had the privilege of connecting providers and suppliers through educational meetings and conferences for almost two decades.

Our mission is to provide the best in healthcare education and networking to enable providers to learn real solutions and suppliers to understand their real needs.

By bringing providers and suppliers together through industry-specific conferences, we create the optimum environment for networking and building relationships—whether in-person or online.

COMPLIANCE INFORMATION

Health Connect Partners (HCP) Scholarship program is funded by Health Connect Partners, not the sponsors or suppliers. HCP is a neutral third-party event business that has no interest in the business dealings of any hospital or health system, and does not sell any products or services to hospitals or health systems. HCP only hosts educational conferences for hospital executives and their suppliers. Hospital executives who attend are under no obligation to purchase any products or services from any sponsor or supplier. It is the decision of you and your representatives whether to have a business relationship with any of the attending participants.

WHAT IS A
REVERSE EXPO?
WELL, IT'S SIMPLE!

Providers sit at a table representing their hospital.

Suppliers visit the providers and offer a five minute overview of their products or services.

Providers offer honest feedback to suppliers and tell them whether or not they are interested.

Our REQUEST BOOTH VISIT feature allows you to select specific attending suppliers or products and solutions categories, so you are meeting with people during the **reverseexpo** that are important to you!
